

ASIA TOUR 2026 • THAILAND & PAKISTAN • DECEMBER

Proclaim liberty to the captives.

Isaiah 61:1

Dear prayer partners,

Thank you for standing with us. This December our family travels to Thailand and Pakistan, not for a holiday, but to listen, learn, and build relationships with people already fighting human trafficking and serving the persecuted church.

This brief is for you, our inner circle. It shares what we have learned about the need in each country and how you can pray before, during, and after our trip.

01

Listen & learn

Meet ministry leaders already serving survivors on the ground.

02

Assess needs

Shape the future of our residential and recovery care.

03

Build partnerships

Lay the groundwork for our Summer 2027 return to both countries.

Thailand

A source, transit, and destination country for trafficking.

401,000

people estimated to be living in modern slavery (Global Slavery Index)

644

victims officially identified in 2024 (U.S. State Department)

7,000

people released from scam compounds on the Thai border, Feb. 2025

Who is most at risk

- Burmese and other migrant workers
- Ethnic minority, highland, and stateless people
- Children exploited online
- People lured by fake job offers into scam compounds

The gap between estimated and identified victims is the story: most people being exploited never reach a safe place to heal.

Already at work

Government shelters

Short- and long-term care nationwide

NightLight Bangkok

Shelter for women trafficked into Thailand

The Exodus Road

Freedom Home safe house for young women

ZOE International

Care for children in northern Thailand

Urban Light

Chiang Mai, serving boys

New Life Center

Chiang Mai, young ethnic minority women

Pray for Thailand

- That the hidden thousands would be found and brought to safety.
- For freedom for those trapped in scam compounds.
- For strength for the ministries already serving survivors.

Pakistan

Bonded labor is its largest trafficking problem.

4.5M

workers estimated to be trapped in bonded labor

70%+

of bonded laborers estimated to be children

37,303

victims identified by the government in 2024

Who is most at risk

- Christian and Hindu Dalit families held in bonded labor, sometimes for generations
- Children in brick kilns, farms, and domestic work
- Christian women and girls trafficked abroad or forced into marriage
- Afghan refugees and stateless people

Why the need is urgent

- No prosecutions under the bonded labor law were reported in 2024
- Shelter and protection remain limited, especially for men
- Religious minorities often struggle to get help from police and services
- Many survivors lack a national ID card, cutting them off from aid

Pray for Pakistan

- For families bound by generational debt to walk free and be restored.
- For protection and justice for Christian women and girls.
- For courage and joy for believers who stand firm in their faith.

Pray with us

Four seasons of prayer, from now until we are home.

NOW

Before we go

- Passports, visas, and good health for all five of us
- Full provision for flights and travel costs

WEEK 1

Thailand

- Divine appointments with ministry leaders
- Wisdom as we assess needs for survivor care

WEEK 2

Pakistan

- Safety for our family and for those who host us
- Encouragement for believers standing firm in faith

JANUARY

Coming home

- Rest, reflection, and clear next steps
- Vision and partners for our Summer 2027 return

Give

Our December budget is about \$25,250 for airfare, visas, lodging, insurance, and vaccines. Holiday activities are on us.
